THE UNIVERSITY

The University of Nicosia (UNIC) is one of the leading comprehensive research-oriented universities in the Mediterranean region, committed to teaching, research and innovation, sustainability, societal engagement and contribution to culture.

The University offers more than 100 conventional face-to-face (on campus) and e-learning/distance learning (online) programmes at the Bachelor's, Master's and Doctoral degree level, hosting more than 11,500 students from over 100 countries.

UNIC conducts extensive high quality basic, applied, and interdisciplinary research that benefits society on a national and global scale. Our teaching and research staff excel in many academic disciplines and are acknowledged for their contribution to the creation and advancement of knowledge and technology transfer, with a particular focus on emerging technologies of the Fourth Industrial Revolution and their impact on society.

Our focus on implementing the "Knowledge Square" through actively engaging with research centres, industry and society ensures that our programmes are designed and enhanced in close collaboration with related stakeholders. This focus results in programmes that address industry needs and are accredited by relevant professional bodies, correspondingly preparing graduates for a global career in today's evolving workplace.

The University's academic standing and global outlook have been reflected in outstanding results in international rankings. Indicatively, UNIC has been recognised by Times Higher Education (THE) World University Rankings 2025 as being among the top 2% of universities in the world.

UNIC's main campus is located in Nicosia, the capital of Cyprus, an EU-member state.

TOP 501-600 IN THE WORLD

The University of Nicosia has held its rank among the top 501-600 universities globally for the third consecutive year, according to the 2025 Times Higher Education (THE) World University Rankings (WUR).

Specifically, in the largest and most comprehensive world university rankings THE WUR, the University of Nicosia is joint #2 in Cyprus and Greece and among the Top 150 universities in the European Union. It also achieved #1 rank in Cyprus for Research Quality, where the THE WUR recognises it as the leading university in this area.

The THE World University Rankings evaluates and compares universities worldwide based on their performance in five areas: Teaching, Research Environment, Research Quality, Industry, and International Outlook. Notably, this year's ranking evaluated 2,092 universities worldwide, compared to 1,907 in 2024.
