STUDY IN CYPRUS

Studying in Cyprus offers a unique blend of rich history, stunning natural beauty, and a modern education system, making it an enticing destination for international students. Here are a few compelling reasons to consider pursuing your education in Cyprus:

QUALITY EDUCATION:

Cyprus is home to internationally recognized universities offering English-taught programmes known for their high academic standards and global collaborations.

AFFORDABILITY:

Cyprus offers a cost-effective education with lower living expenses compared to Western Europe.

SAFETY AND FRIENDLINESS:

Cyprus is known for its safety and welcoming atmosphere, making it easy to adapt.

RESEARCH AND INNOVATION:

Cyprus invests in cutting-edge technology and entrepreneurship.

CULTURAL DIVERSITY:

Experience a rich blend of European, Asian and Middle Eastern cultures, fostering a multicultural environment.

ENGLISH PROFICIENCY:

English is widely spoken, aiding international students' communication and integration.

GATEWAY LOCATION:

Explore nearby Europe, Asia, and Africa due to Cyprus's strategic Mediterranean position.

NATURAL BEAUTY:

Enjoy Cyprus's stunning landscapes, from beaches to mountains, in a sunny Mediterranean climate.

THE UNIVERSITY

Neapolis University Pafos, a prominent private institution in Cyprus and a European Union member, resides in the historically rich city of Pafos. Established in 2010, the university is dedicated to education, research, innovation, and civic engagement. It provides top-tier undergraduate, postgraduate, and doctoral programmes tailored to the demands of the job market. These programmes continuously evolve to match the dynamic economic and social landscape and address the challenges posed by the 4th Industrial Revolution, including Artificial Intelligence and the Internet of Things.

FACILITIES:

UNIVERSITY LABORATORIES:

- Engineering Laboratory: A 200 m2 space with skylight- perimeter natural lighting and a 24-seat lecture area.
- Architecture Studios: Two studios for 60 students each, featuring modern work tables, whiteboards, internet access, lockers, and a library.
- Computer Laboratories: Equipped with essential software for diverse academic disciplines, including programming.

UNIVERSITY LIBRARY:

- A hybrid library offering both printed and electronic resources.
- Collection includes 15K print titles, 1.2M e-books, and 20M online articles.
- Partnerships with major publishers and databases like Springer, Ebsco, Wiley, and more.

LEISURE FACILITIES:

Neapolis University Pafos provides students with exceptional facilities:

- Well-equipped gym offering a variety of fitness equipment.
- A stunning 27m-long pool, surrounded by lush greenery and featuring a central artistic fountain, offering a serene visual centerpiece.
- On-campus restaurant serving homemade dishes from local and international cuisines. The restaurant space also hosts entertainment events, enhancing the campus experience.

ACCOMMODATION

Neapolis University Pafos offers on-campus dormitories with the choice of single or double rooms. The monthly cost includes utilities, internet and weekly cleaning, and amounts to 490 euros per month for the single room and 300 euros per month for the double room.

In addition, students have the option to choose accommodation from Basilica Holiday Resort and Paphos Gardens Holiday Resort located near to the university, with the choice of studio rooms, single rooms and double rooms. These accommodation choices cater to various preferences and budgets for students studying in Pafos, Cyprus. The monthly rates are 605 euros for a studio room to 905 euros for a double room including weekly cleaning, water and WIFI. Information about the resorts are available at <https://paphosgardens.com/> and <https://basilicaresort.com/>

The prices mentioned above are current rates, and they may be subject to change in the future. We recommend checking with the respective accommodation providers for the most up-to-date pricing information before making your booking.

ADMISSION POLICY DECLARATION

The University adheres to a non-discrimination policy in the student selection process, regardless of race, color, religion, sex, disability, or national origin. The general admission criteria of candidates are based on the type and quality of their previous education, the degree obtained, the suitability of the candidates for the study programme they have chosen and applied for.

ERASMUS+

Erasmus+ offers students enrolled in higher education institutions at all levels of study (undergraduate, postgraduate, doctoral) and across the European Union the opportunity to study abroad at a cooperating institution. The programme allows for full recognition of academic credits (ECTS) and offers mobility periods ranging from 3 to 12 months. It provides students and staff with the opportunity to experience different academic and social environments and to explore other cultures.

THE LIAISON OFFICE

NUP's Liaison Office, funded by the European Social Fund and national resources, connects students with industry, informs them about placements, and promotes collaboration between academia and businesses. Benefits include improved skills, employment prospects, and innovation transfer, reducing graduate unemployment and strengthening Cyprus' academic-industry ties.

STUDENT VISA

For Student Visa, specific requirements must be met. These include certified academic qualifications and a sponsorship letter, as well as certified original copies of a valid passport, parental consent for minors, a clean criminal record, and a medical certificate. Additionally, applicants need to provide a payment receipt for a minimum of €3,000 in tuition fees. A certified bank letter, accompanied by both a certified bank account and statement showing a minimum balance of €7,000, is also essential for the application process.
