

LLB in Law

The LLB in Law, offered through a franchise agreement by Neapolis University Pafos (NUP) and the University of Reading, ranked 172nd in the world, is a rigorous three-year undergraduate programme designed to provide students with a comprehensive understanding of legal principles and practices. The degree follows an internationally recognized curriculum covering key areas such as public law, criminal law, commercial law and international law. Delivered entirely in English, the programme provides students with access to high-quality teaching, legal research resources, and an innovative learning environment. With a strong emphasis on critical thinking, research, and practical skills, the LLB equips students with the knowledge and expertise needed to excel in the legal profession. The programme fully complies with the quality and learning process criteria of the University of Reading, ensuring a top-tier legal education, officially approved by CYQAA. Graduates of the programme receive a fully accredited and internationally recognized LLB degree from the University of Reading, preparing them for further legal study or entry into the legal profession.

LLM in International Commercial Law

The LLM in International Commercial Law at Neapolis University Pafos (NUP) and the University of Reading, ranked 172nd globally, is a prestigious postgraduate programme tailored for legal professionals and graduates seeking expertise in global commercial law. Available as a one-year full-time or two-year part-time course, it offers four specialized pathways: International Commercial Law, Intellectual Property Law and Management, International Banking Law and Financial Regulation, and International Corporate Finance. This programme provides in-depth legal knowledge, critical analytical skills, and insight into the real-world legal challenges faced by professionals in global commerce. With access to world-class faculty and research, students gain a competitive edge in the ever-changing international legal landscape. The programme fully complies with the University of Reading's quality and learning process criteria, ensuring the highest academic standards, and is accredited by CYQAA. Upon completion, graduates receive a degree from the University of Reading, recognized worldwide for its excellence in legal education.

DISCLAIMER: The specializations will be offered subject to the enrollment of students.
