THE UNIVERSITY

The University of Nicosia (UNIC) is a research-oriented institution dedicated to teaching, research, innovation, sustainability, societal engagement, and cultural contribution. With over 100 programmes at the Bachelor's, Master's, and Doctoral levels, offered both on-campus and online, UNIC serves more than 11,500 students from over 100 countries.

UNIC excels in high-quality research across various academic disciplines, with a particular emphasis on the emerging technologies of the Fourth Industrial Revolution and their societal impacts. The University collaborates actively with research centres, industry, and the community, ensuring that its programmes meet industry needs and receive accreditation from relevant professional bodies. UNIC boasts an outstanding academic reputation and a global perspective, as evidenced by its impressive international rankings.

Indicatively, in the 2026 edition of the THE WUR Rankings, the University of Nicosia (UNIC) has held its rank among the top 501-600 universities globally for the fourth consecutive year. Situated in Nicosia, the capital of Cyprus, an EU-member state, UNIC's main campus offers an ideal setting for students seeking a dynamic and multicultural environment. Nicosia provides the benefits of a modern and welcoming city, making it an excellent choice for your academic journey.

**UNIC IN THE WORLD'S TOP
501-600 UNIVERSITIES IN THE
WORLD UNIVERSITY RANKINGS
2026**

The University of Nicosia (UNIC) has once again been recognised among the world's leading universities, reaffirming its position as a global centre of excellence in higher education and research.

In the 2026 Times Higher Education (THE) World University Rankings, UNIC is ranked among the top 501–600 universities worldwide for the fourth consecutive year. The University also ranks among the top 151 universities in the European Union and 1st amongst the Greek and Cypriot Universities for Research Quality.

The Times Higher Education World University Rankings 2026 evaluated 2,191 institutions from 115 countries and territories across five key performance areas: Teaching, Research Environment, Research Quality, Industry, and International Outlook. In this increasingly competitive and data-driven global landscape, UNIC's ongoing prominence demonstrates the effectiveness of its research strategy and its unwavering focus on excellence, innovation, and impact – particularly in Research Quality, where it ranks 1st amongst the Greek and Cypriot Universities.

NICOSIA CAMPUS

The UNIC Nicosia Campus is situated in Engomi, a vibrant and student-centred area of the city. Purpose-built with modern facilities and a welcoming atmosphere, “UNIC City” serves as home to over 11,500 students from more than 100 countries, creating a diverse and inclusive environment for learning and personal growth. Beyond the campus boundaries, Engomi enhances the student experience with its array of cafes, restaurants, and services specifically catering to university life.

ATHENS CAMPUS

UNIC Athens is the University of Nicosia’s academic and research base in Greece, combining internationally ranked teaching with state-of-the-art facilities and active partnerships across healthcare, technology, and industry. Located in Elliniko, with direct metro access to the city center, the campus offers students a dynamic environment for study, research, and professional growth in one of Europe’s most vibrant capitals.
